

BETTER BENEFITS AT A LOWER COST

Providing total enrollment and management services, Ovation helps you simplify processes and reduce expenses associated with employee benefits.

WITH OVATION, YOU CAN

1 INCREASE EFFICIENCY.

Allowing you to concentrate on your company's core objectives, Ovation reduces HR tasks by managing all aspects of your benefits enrollment. It also provides dependent eligibility audits; one-on-one, group, and call-center enrollments; and custom-printed benefit booklets for employees.

2 ENHANCE BENEFITS.

Ovation gives you access to custom benefits portfolio solutions, section 125 premium-only plans, the HRAnswersNow Web site, and a customized online benefits management system.

3 IMPROVE EMPLOYEE SATISFACTION.

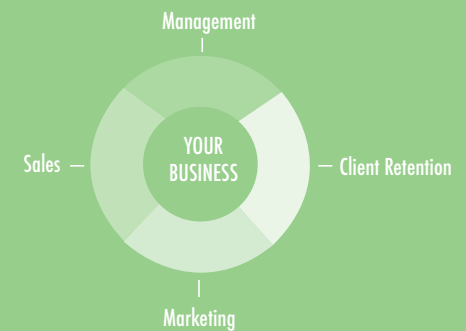

Educating your employees on their benefits and serving as an ongoing, easily accessible resource for your staff's questions, Ovation boosts employees' satisfaction with their benefits and with your company.

4 DECREASE COSTS.

In addition to its creative cost-cutting solutions for benefit programs, Ovation reduces overall expenses associated with managing benefits.
